

TOURISM

Florida is well known internationally for its attractive landscape and ever-changing attractions. Orlando with its humongous theme parks is the most visited city in the United States. Miami's harbor has remained the number one cruise ship and passenger port in the world for over 20 years. The proximity to the Caribbean and Latin America, the pleasant weather and the diversity in cultures make Florida one of the top destinations in the US for foreigners and above all for US citizens in need of a getaway in the sunshine state.
